Schedule A and B 2006 Owner's Policy and 2006 Loan Policy

Schedule A and B – 2006 Policies

The only change to Schedules A and B of these policies appears in the 2006 Loan Policy. A paragraph 6 has been added to Schedule A to allow the incorporation by reference of certain endorsements. This is similar to the way the endorsements are issued with the Short Form Loan Policy.

Endorsements

For the most part, the changes which occurred to the endorsements are technical in nature. The changes did not materially affect the coverages provided by the existing, pre-2006 ALTA endorsements. All existing ALTA endorsements were revised to (a) update the language where necessary (b), utilize the new policy definitions in the 2006 policies, (c) capitalize all terms defined in the 2006 policies, (d) revise cross references to re-numbered provisions in the 2006 policies, and (e) apply the new numbering format to the 2006 endorsements. There were also 8 new endorsements adopted.

83

The new ALTA endorsement numbering system adds a dash followed by a two digit number to indicate the year the endorsement was adopted – in this case a "-06" has been added and indicates the endorsement forms were adopted in 2006. The former ALTA 4 is now the ALTA 4-06. The former ALTA 4.1 is now the ALTA 4.1-06. In the future, if an endorsement is modified or a new endorsement is adopted, the number appearing after the dash will be changed to reflect the year the endorsement was modified or adopted.
